

Dates for Return to Practice (RtP) Nursing all fields / LBR 6638 Module

2026.27 Academic Year

Study days will always fall on a Monday and / or Tuesday and unless otherwise stated when the timetable is available will be 10.00 – 15.30 approximately.

Application deadline is approximately 2 months prior to course commencement date. This is to allow for interview / professional discussion and organisation of practice learning experience.

Course structure is x8 weeks attendance at university x2 days as above per week followed by 150 – 300 hours of practice learning experience which will be discussed and negotiated prior to attendance. During practice learning experience there are x3 keep in touch days when you will be required to attend university.

Assessed elements comprise a 'Safe medicate' examination, achievement of practice competencies and skills and a 2000 word written assignment. Support with assessed elements is integral to the course.
