6	Course Description
	<p>As health care provision becomes increasingly complex, with greater demand for services, more people with multiple long-term conditions and a shortage of skilled professionals, there is a growing importance on how health care needs to improve and transform. This MSc course aims to equip students who are front line clinicians or have roles in management and leadership in healthcare with up-to-date relevant skills and knowledge in order to be able to deliver the very best patient care and health care services.</p> <p><b>What's covered in the course?</b></p> <p>The overall aim of this course is for you to continue to develop yourself and your leadership and management skills. You'll do this by understanding and reflecting on people's behaviours and their effect on an organisation's development and ability to improve. The programme explores global health challenges and their relevance to your everyday practice. This will develop your research and leadership skills to enhance your critical thinking.</p> <p>This programme's core modules can be studied individually or combined into a Postgraduate Certificate. You can study 3 additional modules and gain a Postgraduate Diploma and to achieve a Master's Degree you are also required to undertake the Dissertation module.</p> <p>You'll be taught by staff who are experts in their field at our £71 million City South Campus in Edgbaston, with access to state-of-the-art equipment and facilities to offer the very best learning experience.</p>

## 12b Structure Diagram

Please note list of optional modules is indicative only. Students' choice will not be guaranteed for optional modules but a fair and transparent process will be adopted and shared with students.

### 13 Overall Student Workload and Balance of Assessment

Overall student *workload* consists of class contact hours, independent learning and assessment activity, with each credit taken equating to a total study time of around 10 hours. While actual contact hours may depend on the optional modules selected, the following information gives an indication of how much time students will need to allocate to different activities at each level of the course.

- *Scheduled Learning* includes lectures, practical classes and workshops, contact time specified in timetable
- *Directed Learning* includes placements, work-based learning, external visits, on-line activity, Graduate+, peer learning
- *Private Study* includes preparation for exams

The *balance of assessment* by mode of assessment (e.g. coursework, exam and in-person) depends to some extent on the optional modules chosen by students. The approximate percentage of the course assessed by coursework, exam and in-person is shown below.

#### Level 7

#### Workload

##### % time spent in timetabled teaching and learning activity

Activity	Number of Hours
Scheduled Learning	236
Directed Learning	316
Private Study	1248
<b>Total Hours</b>	<b>1800</b>

#### Balance of Assessment

Assessment Mode	Percentage
Coursework	72%
Exam	14%
In-Person	14%
