We will endeavour to accommodate you close to your place of study, however, this is dependant upon availability at the time of allocating the rooms.

When a room is offered you will receive an email advising you to log in to the Accommodation Portal; you will be required to follow the instructions given in the email. The email address we use will be the one that was used when you initially applied for the accommodation.

For the majority of the accommodation, a guarantor will be required. You will also be required to make an advance payment and /or deposit (this will depend on the allocation to a University managed/partner accommodation) to accept the offer of accommodation by a deadline date. If you are unable to provide a guarantor you may be required to pay the full Residence Fee in advance at the time of offer. If you have not responded within the stipulated period the offer will be withdrawn and the room will be re-offered to another student.

UK students will be given three days and International students will be given five days in which to accept the offer of accommodation. It is therefore essential that you keep checking your emails daily.

If you have not contacted us and missed the deadline date to accept, the offer of accommodation will automatically be withdrawn.

A care leaver is someone who has previously lived with foster parents, in a children's home, orphanage, or sheltered accommodation who has been in the care of the Local Authority for a period of 13 weeks or more spanning their 16th birthday ([The Children \(Leaving Care\) Act 2000](#)).

## **Transgender Students**

If applying for accommodation in the BCU portfolio, you can declare your trans status on application and request accommodation to meet your needs. If you choose not to declare at this point, you will still be able to request a change of accommodation later on the basis of your trans status (subject to availability).

If you disclose your trans status while already living in accommodation in the BCU portfolio you will be asked what type of accommodation you would prefer e.g. mixed gender or single gender. We will take all reasonable steps to place you in your preferred accommodation. However, there may be occasions when this is not possible e.g. because all accommodation in the BCU portfolio are booked up. In this instance, Accommodation Services will support you to seek suitable alternative accommodation elsewhere.

If transitioning whilst at University, you may reasonably request that your accommodation in the BCU portfolio arrangements be re-assessed and a room transfer offered if available. We will facilitate such requests wherever reasonably possible.

If you live at University Locks and wish to move to new accommodation, Accommodation Services will seek to arrange a move to the most appropriate type of accommodation as soon as reasonably possible. If there is no suitable alternative accommodation in the BCU portfolio, we will consider releasing you from your contract and providing assistance to find suitable alternative accommodation.

### **Students with Disabilities**

If you have a disability or long term medical condition and you require adjustments it is essential that you contact Accommodation Services as soon as possible to discuss your specific requirements. We can only make you a room offer once we are able to confirm that appropriate accommodation is available and reasonable adjustments can be made. We may be able to offer you accommodation for the duration of your course but due to possible changes in the portfolio please note that this may not be the same accommodation each year.

If you have a personal support worker who will be enabling you to live independently at university, we can also provide a room for them (the student will be responsible for the full cost of this room).

To ensure you receive the appropriate support with your studies, it is recommended that you contact the Disability Services and inform them of your disability and the adjustments you require. Further information about the team including their contact details is available [here](#).

Please see the Data Protection and Confidentiality section below in relation to declaring your disability to Accommodation Services.
