

Birmingham City University & ANUIES Student Mobility Program

Credit transfer:

Our credit bearing programmes are usually accredited at 60 University credits (one semester programme) and 120 University credits (two semester programme). This is normally equivalent to 30 and 60 ECTS respectively.

However, it is up to your home institution to decide how much credit is awarded. Birmingham City University can provide the programme specifications and any other additional information required by the home institution.

Available programmes – September 2016
