The University shall take reasonable steps to notify the Supplier of a Request For Information (in accordance with the Secretary of State's section 45 Code

of Practice on the Discharge of the Functions of Public Authorities under Part 1 of the FOIA) to the extent that it is permissible and reasonably practical for it to do so but (notwithstanding any other provision in this Contract) the University shall be responsible for determining in its absolute discretion whether any Confidential Information and/or any other information is exempt from disclosure in accordance with the FOIA and/or the EIRs.

22 Publicity and Branding

- 22.1 Unless otherwise directed by the University, the Supplier shall not make any press announcements or publicise this Contract in any way without the University's prior written consent.

- 23.5 In respect of Services, the Supplier hereby irrevocably, unconditionally and absolutely assigns to the University, with full title guarantee, and without restriction, all right, title and interest in and to all existing and future Intellectual Property Rights (including future copyright and design right) subsisting in or relating to all Deliverables whether created, developed or produced before, on or after the Commencement Date, in all countries and with the right to sue for damages and other relief for past infringement of any of those Intellectual Property Rights. For the avoidance of doubt, the assignment under this Clause 23.5 (Intellectual Property) shall take effect from the date on which the relevant Deliverable was or is created, developed or produced.
- 23.6 To the extent that Clause 23.5 (Intellectual Property) is not effective to assign legal title to the Intellectual Property Rights in or to the Deliverables, then the Supplier shall assign to the University such Intellectual Property Rights as and when requested by the University by executing any assignment documents reasonably requested by the University. Until such time as those Intellectual Property Rights are assigned to the University, the Supplier shall hold all such Intellectual Property Rights on trust for the University and the University shall have an exclusive worldwide, royalty-free licence under those Intellectual Property Rights and to use the Deliverables for any purpose.
- 23.7 The Supplier warrants that it has obtained or shall obtain from all sub-contractors an unconditional assignment without restriction of the legal and beneficial ownership of all existing and future Intellectual Property Rights subsisting in or relating to any Deliverables created or developed by such sub-contractors, in all countries, and that the assignment under Clause 23.5 (Intellectual Property) includes the assignment of all of those Intellectual Property Rights.
- 23.8 The Supplier shall procure that all Supplier Personnel, sub-contractors and its sub-contractors' personnel used by the Supplier in connection with the provision of the Goods and/or Services shall unconditionally and irrevocably waive all of their moral rights described in Chapter 4 of Part 1 of the Copyright Designs and Patents Act 1988 (or any similar or equivalent legislation anywhere in the world) in respect of the Deliverables. Any such waivers shall be made in favour of the Supplier, the University and the University's licensees, sub-licensees, assignees and successors in title to the Deliverables. The Supplier shall promptly provide copies of any waivers to the University, on request.
- 23.9 Subject to Clause 23.10 (Intellectual Property) below the University grants the Supplier a non-exclusive, non-transferable, royalty-free licence to use the University's Intellectual Property Rights and the Deliverables solely to the extent necessary to enable the Supplier to provide the Goods and/or Services during the Term.

Risk in such Deliverables shall pass on their delivery to the University. Any Deliverables owned by the University but in the possession of the Supplier (or its Affiliates) shall be held by the Supplier on trust for the University. The Supplier shall be responsible for the safe keeping and maintenance of these Deliverables while in the Supplier's possession, and shall accept liability for all loss or damage to them.
- 23.12 This Clause 23.12 (Intellectual Property) shall survive termination or expiry of the Contract.

- 24.3 If an IPR Claim is made, or the Supplier anticipates that an IPR Claim might be made, the Supplier may, at its own expense and sole option, either:

24.3.1 procure for the University the right to continue using the relevant Goods and/or Services or item which is subject to the IPR Claim; or

24.3.2 replace or modify the relevant Goods and/or Services or item with non-infringing substitutes provided that:

- (i) the performance and functionality of the replaced or modified Goods and/or Services or item is at least equivalent to the performance and functionality of the original item;

- (iii) there is no additional cost to the University; and
- (iv) the terms and conditions of this Contract shall apply to the replaced or modified Goods and/or Services.

24.4 If the Supplier elects to procure a licence in accordance with Clause 24.3.1 (IPR Indemnity), or to modify or replace an item pursuant to Clause 24.3.2 (IPR Indemnity), but this has not avoided or resolved the IPR Claim, then:

24.4.1 the University may terminate this Contract by written notice with immediate effect; and

24.4.2 without prejudice to the indemnity set out in Clause 24.2 (IPR Indemnity), the Supplier shall be liable for all reasonable and unavoidable costs of the substitute Goods and/or Services including the additional costs of procuring, implementing and maintaining the substitute Goods and/or Services.

24.5 This Clause 24 (IPR Indemnity) shall survive termination or expiry of the Contract.

25.5 Neither Party may benefit from the limitations and exclusions set out in this clause in respect of any liability arising from its deliberate default.

25.6 The rights of the University under the Contract are in addition to, and not exclusive of, any rights or remedies provided by common law.

26 **Confidentiality**

26.1 Each party undertakes that it shall not at any time during the Contract and subject to anything to the contrary in the Order Form, for a period of six (6) years after termination of the Contract, disclose to any person any confidential information concerning the business, affairs, customers, clients or suppliers of the other party, except as permitted by Clause 26.2.

If the Supplier fails to do so, then the University may enter the Supplier's premises and take possession of them. Until they have been returned or delivered, the Supplier shall be solely responsible for their safe keeping and will not use them for any purpose not connected with the Contract.

28.2 Termination or expiry of the Contract shall not affect the rights, remedies, obligations or liabilities of the Parties that have accrued up to the date of termination or expiry, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry.

29.3.2 use all reasonable endeavours to mitigate the effect of the Force Majeure event on the performance of its obligations.

29.4 If the Force Majeure event prevents, hinders or delays the Affected Party's performance of its obligations for a continuous period of more than 30 days, the party not affected by the Force Majeure event may terminate this Contract by giving 30 days' written notice to the Affected Party.

29.5
