# WE'VE MADE SOME CHANGES...

We have made a few changes to the range of courses we offer for 2023/24, to make it as easy as possible to choose the right course for you. In most cases, we've simply combined courses that are covering similar topics into fewer titles.

We are still offering course titles in the same range of subject areas, with plenty of opportunities to specialise, so we're sure you'll be able to find the perfect fit. Some of our courses have also got a new title for the coming year, so look out for those too.

Please see overleaf for details of the changes if you're looking to start with us in 2023/24.
