IMPORTANT LEGAL INFORMATION
Birmingham City University's Terms and Conditions are available on The Student Contract web page (www.bcu.ac.uk/student-info/student-contract) and contain the principal terms of the agreement that will apply should you accept the offer of a place to study with us. It is important that you read this document carefully.

WELCOME

Birmingham City University is located just over an hour from London, in the UK's second largest city. We recently invested £260 million in our campus, allowing us to offer our students a friendly study environment with facilities that are among the best in the country.

BENEFITS OF STUDYING WITH US:

Experience the UK's style of teaching and learning

Enjoy a unique academic experience

Enhance your career prospects

Explore Birmingham and the rest of the UK

Become more globally aware

Make lifelong friends from around the world

BY COMING TO BIRMINGHAM CITY UNIVERSITY TO STUDY ABROAD, YOU'LL BE ABLE TO EMBRACE A ONCE-IN-A-LIFETIME OPPORTUNITY

We've built strong partnerships with both students and industry professionals to offer an inspirational learning environment. We've helped to enrich the lives of leading architects, designers, lawyers, engineers, healthcare professionals, musicians and many more. We offer a wide range of courses to Study Abroad students for Year 1, 2 and 3 entry across all Faculties.

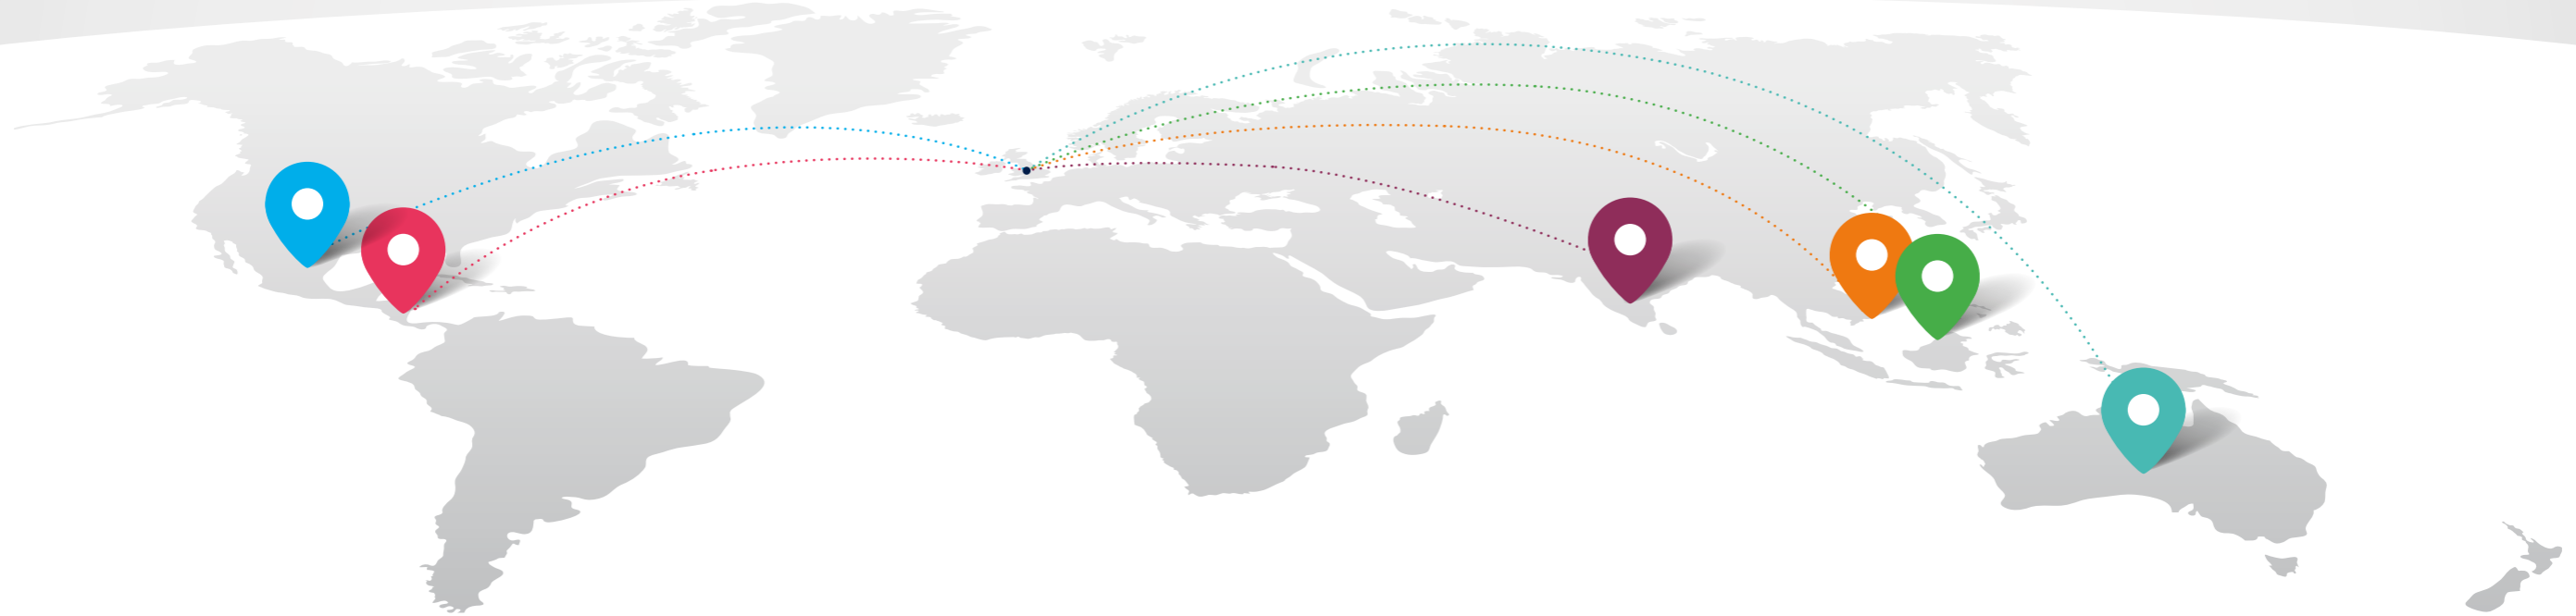

Our innovative teaching methods, ground-breaking research and industry collaborations are backed by almost 40 professional accreditations. Providing you with an education that not only works in the classroom, but in the real world for when you graduate.

You'll share your university with around 24,000 students from over 80 different countries. We ensure that everyone feels right at home here in Birmingham with accommodation options for international students, a Meet and Greet service at Birmingham Airport and a Student Affairs team that make your move to the UK as easy as possible.

We look forward to seeing you at Birmingham City University very soon!

STUDENT EXPERIENCES

SIYI QIU
BA (Hons) Marketing, China

"Studying abroad is an amazing experience. Being surrounded by people from different cultures greatly broadens my horizons. Traveling around the UK with flatmates or friends also creates unique and unforgettable memories and enjoying the beautiful scenery while sharing stories with each other is quite interesting and impressive."

**AWANG TAKONG
SITI RAHIMAH**
BA (Hons) English, Brunei

"Birmingham is very multicultural. People are from different backgrounds, religions and ethnicities, but we are all one. This is a very unique characteristic of a city in the UK."

ALYSON CROW
BA (Hons) Media and
Communication, Australia

"I've enjoyed spending so much time in the TV studio and having the flexibility to choose different modules. In Australia, Film and TV is a separate degree but at BCU, Media and Communication allows you to experiment with different aspects of Media as it is a broader course."

MADDY ELLIS
BA (Hons) Criminology and
Security Studies, USA

"The thought of studying 4,000 miles from home was initially intimidating, but when I arrived at BCU the faculty and students were so genuine and willing to help with whatever I needed! Although I had never played field hockey before, I joined the team and quickly gained lifelong friends from it. Living in Birmingham made it a short flight to all the cities I wanted to visit and although it's a cliché, the time spent studying abroad does change your life for the better. Can't wait to go back and visit!"

**MAURICIO
HERNANDEZ-
SERRANO**
BA (Hons) Visual
Communication (Film and
Animation), Mexico

"Here, in this one place, I have the possibility to communicate with people with whom I have absolutely nothing in common and found empathy and challenge. The fact that we're all young adds another layer of interest and complexity."

PRACHI ROUTRAY
International MBA, India

"Undoubtedly, BCU is the best thing to ever happen for me. The opportunity to witness different cultures merged in one place, knowledge, experience and happiness just crossing boundaries are things that I'll take, along with my luggage. The chance to learn from such an amazing faculty and to witness new ways of learning has truly made my journey here at BCU worth it."

✈️ TOP 10

Birmingham was selected as one of the top 10 destinations in the world to visit in 2015 by travel publisher Rough Guides.

STUDYING IN BIRMINGHAM

Birmingham is the UK's second largest city, with a population of roughly 70,500 students. Famous for: the Bullring shopping centre, the home of Cadbury's chocolate, car manufacturing, science and industry.

AT A GLANCE

160 shops make up the iconic Bullring shopping centre

24 million visitors from around the world every year

Over 100 of our famous balti houses in the city

25 million pass through Birmingham New Street annually (businessbirmingham.com)

The most popular destination for people moving out of London (BBC, 2016)

THERE IS PLENTY TO DO IN BIRMINGHAM TO KEEP YOURSELF BUSY. IT REMAINS ONE OF ENGLAND'S MOST VISITED PLACES TO SHOP, WITH NEARLY £2 BILLION SPENT EACH YEAR*

*Visit Birmingham

RELAXING

If you want to get out and about, the city has over 8,000 acres of park and open space, making it one of the UK's greenest cities.

EATING

There are numerous cutting-edge restaurants and pubs to sample. Birmingham has over 100 balti houses together with a flourishing street food scene, centred on the popular Digbeth Dining Club.

The Mockingbird Cinema and Kitchen, Digbeth;

CULTURE

With a world-class symphony orchestra, royal ballet company and theatres, Birmingham has some of the finest contemporary arts venues in the country; one of the city's most exciting facilities is the state-of-the-art, £188 million Library of Birmingham.

SPORTS

Whether you're interested in sport as a participant or a spectator, Birmingham has plenty to offer. The city is home to three leading football clubs – Aston Villa, Birmingham City and West Bromwich Albion – and international cricket takes place at Edgbaston (pictured). The renowned Brabazon golf course at The Belfry has been the venue for several Ryder Cups, and the Barclaycard Arena hosts a range of events including Davis Cup tennis, international athletics, badminton, table tennis, judo, basketball and wrestling.

NIGHTS OUT

From the mainstream bustle of Broad Street to the underground scene in Digbeth and the laid-back bars in student-friendly Selly Oak or bohemian Moseley, we've got nightlife covered. Check out iconic club nights at The Institute or The Rainbow – frequently listed in the top 100 clubs in the world and top 10 in the UK.

MUSIC

There's a host of great live music destinations to be found across the city – from traditional pubs and intimate jazz bars to the famous O2 Academy and Jools Holland's Jam House. Major rock bands and artists play regularly at the Genting Arena (formerly LG Arena), which is about 10 miles from the city, and the Barclaycard Arena (formerly the NIA Birmingham) in the city centre.

TRAVEL

Birmingham's excellent public transport system of buses, trains and a recently-extended tram network means that getting around the city couldn't be easier. We are at the centre of the UK's road, rail and coach networks, so travelling further afield is no problem, while Birmingham Airport connects directly to 140 domestic and international destinations.

BUSINESS

With over 42,000 companies, Birmingham is not just a good place to study and explore; it is also a great location to start your career, gaining real-world skills and industry contacts. Major employers are investing in the city, including world-renowned businesses such as Jaguar Land Rover, HSBC and Deutsche Bank.

SHOPPING

Birmingham is a shoppers' paradise, with modern shopping centres, restored Victorian arcades and a range of markets offering everything from designer labels to second-hand bargains. The Bullring is the city's most famous shopping destination with some 160 shops, boutiques and restaurants, now joined by the new Grand Central shopping centre above New Street station. Each year, the city plays host to the biggest German-style Christmas market outside Germany, with a range of festive food, drink and gifts.

- Students' Union

City Centre Campus and Eastside City Park

WE HAVE INVESTED £260 MILLION ACROSS OUR BUILDINGS AND FACILITIES, TO GIVE YOU THE VERY BEST LEARNING ENVIRONMENT TO SHAPE YOUR EXPERIENCE

This campus at the heart of Birmingham's fast-developing Eastside district, and just a short walk from the city centre, is where most students on courses including Music, Design, Media, Acting, Engineering, Computing, Digital Technology, Built Environment, Law, Social Science, Business and English are based.

The campus also features library, IT and student support facilities, giving a modern, dynamic space for you to learn in with state-of-the-art resources. An extension to the campus opened in 2018, with more learning space, another IT suite and an innovative group-working lecture theatre. It also provides a base for our Students' Union, incorporating the Grade II listed Eagle and Ball pub.

Our facilities are located alongside Eastside City Park – the first new urban park in Birmingham for over 130 years, which provides a superb space for relaxing in summer as well as a venue for events and activities.

ROYAL BIRMINGHAM CONSERVATOIRE

A new £57 million building at our City Centre Campus, opened in 2017, provides a conservatoire for the 21st Century. Our music students benefit from a new concert hall, private rehearsal and practice rooms, and teaching spaces for musicians from a variety of disciplines.

FACILITIES INCLUDE:

- Five performance venues, including a 500-seat concert hall
- A 150-seat recital hall and smaller experimental music space
- Organ room and dedicated jazz venue
- Over 70 dedicated practice rooms.

CITY SOUTH CAMPUS

FACILITIES INCLUDE:

- Mock hospital wards and operating theatre
- Virtual radiotherapy and radiography imaging suites
- Simulated home environment
- Replica school classrooms
- Physiology and biomedical science laboratories.

The new building at our City South Campus

STUDENTS ON HEALTH, SPORT, LIFE SCIENCES AND EDUCATION COURSES ARE BASED ON OUR STATE-OF-THE-ART CAMPUS IN THE LEAFY SUBURB OF EDGBASTON, WITHIN EASY REACH OF THE CITY CENTRE.

Our realistic learning environment includes an operating theatre, hospital wards and a fully equipped midwifery skills/birthing room, as well as sport and life sciences laboratories and replica classrooms for use by our teaching students.

We have invested £41 million in new facilities on this site including specialist laboratories for the School of Health Sciences, as well as a new home for the School of Education and Social Work.

SPORT AND LIFE SCIENCES

The creation of our new suite of courses in Sport and Life Sciences is yet another exciting development at Birmingham City University.

Not only have we invested in a new building to house the laboratories and teaching spaces needed, but we also plan to open up these facilities to benefit all students and the wider community.

All courses have been co-designed with employers and are endorsed or accredited by professional bodies where appropriate.

By expanding our provision to these areas, we will be helping to tackle some of the biggest challenges facing society today, such as obesity and unhealthy lifestyles, as well as supporting the UK's ambitions for success at international sporting tournaments, including the 2022 Commonwealth Games in Birmingham!

IN ADDITION TO OUR TWO MAIN CAMPUSES, OUR ART AND JEWELLERY STUDENTS BENEFIT FROM STUDYING AT SPECIALIST LOCATIONS IN THE CITY.

BIRMINGHAM SCHOOL OF ART, MARGARET STREET

Floating mezzanine levels, glass lifts and cutting-edge workspaces sit comfortably beside the original stained-glass windows and mosaic floors of this glorious purpose-built art school.

This Grade I listed Venetian Gothic building houses a wonderful complex of traditional-style workshops and teaching and exhibition space.

FACILITIES INCLUDE:

- Light and airy studios
- Gallery and installation space
- Fine art library
- Woodwork, metal, plaster, fibreglass and ceramics workshops
- Digital media, print and photography workshops.

SCHOOL OF JEWELLERY VITTORIA STREET / ASSAY OFFICE

One of the most significant jewellery schools in the world stands in a modern and spacious building right in the heart of Birmingham's famous Jewellery Quarter, where much of the jewellery made in Britain today is manufactured.

Gemmology courses are based in a purpose-built area within Birmingham's new Assay Office.

FACILITIES INCLUDE:

- Specialist studio workshops
- Casting facility and electroplating laboratory
- Machine workshop including laser welders and laser cutters
- Exhibition space and specialist library
- Stores for materials and tools.

HEALTH, EDUCATION AND LIFE SCIENCES

THE FACULTY OF HEALTH,
EDUCATION AND LIFE SCIENCES
ASPIRES TO BE ONE OF THE
MOST DIVERSE PROVIDERS OF
PUBLIC HEALTH EDUCATION IN
THE COUNTRY

The Faculty of Health, Education and Life Sciences has a national and growing international reputation for pioneering approaches to learning and teaching, through the creation of cutting edge simulated experiences and has consistently achieved "excellent" ratings in national quality audits.

Our Faculty of Health, Education and Life Sciences has been awarded the Skills for Health Quality Mark, in recognition of the high standard of learning and training delivered to the health sector (2016-18). We have also been awarded British Dyslexia Association (BDA) Quality Mark for our health courses in recognition of our support for students with dyslexia – the first such award in the country for a University.

We have what you need to make your studies at Birmingham City University a success. Our Skills Practice and Care Enhancement (SPACE) area gives Health students a safe and supportive environment to practise over 60 clinical skills procedures outside of lecture time.

Three members of staff in our Faculty have even attained the title of 'Queen's Nurse', which recognises a high level of commitment to patient care and community nursing practice.

"We have a long history of providing Education and Teacher Training courses and are the highest ranked provider of Education courses in the West Midlands (Guardian League Table 2019). Our strong focus on employability is reflected by the fact that 99% of our students are in employment or further study six months after graduating (DLHE 2016/17). Our new Sports courses are building effective partnerships with professional and elite athletes, working closely with organisations including Warwickshire County Cricket Club, Kidderminster Harriers Football Club and Worcester Warriors."
