

UK STUDENT VISA CHECKLIST

You will need the following when you apply for your visa:

Your current passport.

A valid, unused Certificate of Acceptance for Studies (CAS) reference number.

Evidence you can fund your first year of fees and up to 9 months of living costs.

Proof of your relationship with your parent or legal guardian if the funds for your course are held in their name.

All original education certificates.

An Academic Technology Approval Scheme (ATAS) certificate. Your university or college will let you know if this is needed.

Translations of supporting documents that are not in English.

A Tuberculosis test certificate.
