

Course Specification

Course Summary Information			
1	Course Title		BA (Hons) Sports Journalism
2	BCU Course Code	UCAS Code	US0890 P501
3	Awarding Institution		Birmingham City University
4	Teaching Institution(s) (if different from point 3)		
5	Professional Statutory or Regulatory Body (PSRB) accreditation (if applicable)		

6	Course Description
	<p>Get practical preparation for a career in sports journalism with our BA (Hons) Sports Journalism degree course. You'll get the chance to develop the skills to cover a range of sports stories for print, digital, TV and radio, including covering live matches and competitions, interviewing key figures and running collaborative liveblogs. You'll also explore the global impact of sports journalism on audiences. Students will be armed with mobile reporting kits to work as real reporters from day one.</p> <p>We pride ourselves on teaching creative, contemporary journalism underpinned by traditional values and skills. That means learning the core media and communication skills that every working reporter needs before you specialise in an area that interests you.</p> <p>You'll be challenged academically – often by some of the industry's leading names – and you'll be expected to undertake meaningful work experience placements in media environments, and work on live stories, learning how to craft a story in a way that engages the audience.</p> <p>By the time you graduate, you'll be a thinking journalist with a specialism in sports. You'll also be adaptable to the changes that the industry faces. Birmingham City University's journalism graduates have gone on to work for Sky, BBC, Trinity Mirror and the Express & Star. Others have scooped prestigious awards at the Midlands Media Awards while still studying.</p> <p>What's covered in the course?</p> <p>BA (Hons) Sports Journalism is delivered by industry experts from broadcast, print and digital and provides a strong foundation for a future professional career with a range of sports outlets. You'll be able to use your own mobile reporting kit when you arrive, allowing you to work as a real reporter from day one.</p> <p>Our Live Newsroom modules will get you to the heart of the action, covering a range of stories, preparing coverage for our award-winning Birmingham Eastside website and other partner outlets. You'll get the chance to apply practical mobile reporting skills in a real-world</p>

	<p>environment for platforms including TV, radio, print and digital. Our strong links with key journalism organisations means you'll also get the chance to work on live projects throughout the course.</p> <p>Teaching is delivered in industry-standard facilities, as well as on location at matches and events thanks to our focus on mobile reporting. Our newsroom media hub also allows for collaborative work as part of the wider University journalism community.</p> <p>By tackling real stories, you will quickly develop a sense of the impact they can have. There will be a chance to undertake placements as well as embed yourself within communities and sports organisations to tackle key issues in real depth.</p> <p>The focus on innovation and entrepreneurship will encourage you to think critically about the journalism landscape. This will allow you to be one step ahead of the game and spot the next big move in the world of sports journalism.</p>

Core Major Project: Media (60 credits)	

13 Overall Student Workload and Balance of Assessment

Overall student *workload* consists of class contact hours, independent learning and assessment activity, with each credit taken equating to a total study time of around 10 hours. While actual contact hours may depend on the optional modules selected, the following information gives an indication of how much time students will need to allocate to different activities at each level of the course.

- *Scheduled Learning* includes lectures, practical classes and workshops, contact time specified in timetable
- *Directed Learning* includes placements, work-based learning, external visits, on-line activity, Graduate+, peer learning
- *Private Study* includes preparation for exams

The *balance of assessment* by mode of assessment (e.g. coursework, exam and in-person) depends to some extent on the optional modules chosen by students. The approximate percentage of the course assessed by coursework, exam and in-person is shown below.

Level 4

Workload

% time spent in timetabled teaching and learning activity

Activity	Number of Hours
Scheduled Learning	230
Directed Learning	730
Private Study	240
Total Hours	1200

Balance of Assessment

Assessment Mode	Percentage
Coursework	80%
Exam	
In-Person	20%

Level 5

Workload

% time spent in timetabled teaching and learning activity

Activity	Number of Hours
Scheduled Learning	220
Directed Learning	740
Private Study	240
Total Hours	1200

Balance of Assessment

Assessment Mode	Percentage
Coursework	82%
Exam	
In-Person	18%

Level 6

Workload

% time spent in timetabled teaching and learning activity

Activity	Number of Hours
Scheduled Learning	129
Directed Learning	831
Private Study	240
Total Hours	1200

Balance of Assessment

Assessment Mode	Percentage
Coursework	78%
Exam	
In-Person	22%
